**HARBOR VALLEY HEALTH & REHAB NOW ACCEPTING RESIDENTS**

SAN ANTONIO, TX (January 23, 2020) – Harbor Valley Health & Rehabilitation, a brand new 120-bed senior care community of the Stein LTC group, has passed state certification and is now accepting applications for residents with all payer sources including Medicare and Medicaid.

The contemporary facility was built and designed as a means of creating an upscale community to serve the surrounding areas in southwest San Antonio with a staff that is fully focused on providing the highest level of care to their residents.

“Stein LTC is very excited to bring this brand new state-of-the-art long term care facility to the southwest San Antonio market. The response from the local community has been extremely positive.” said Paul Stein, Co-Founder of Stein LTC. “Our company prides itself on providing excellent clinical outcomes for both our short-term and long-term residents. I encourage anyone that may be in need our services to come by and tour the new community at any time.”

Harbor Valley Health & Rehab features:

- Contemporary interior and exterior design
- Single and double occupancy rooms
- Enclosed courtyard
- In-house therapy and rehab services
- Private dining room
- In-house salon services

“We are looking forward to adding residents to the Harbor Valley family,” said Kip Kruger, Administrator at Harbor Valley Health & Rehab. “Our goal is to set the highest standards of excellence in care and lifestyle for our residents.”
